PRINCIPAL'S MESSAGE FOR NEW SESSION 2018-19

Dear Parent,

Date:-16-03-2018

Greetings!!!!

The session 2017-18 is coming to an end with the last home examination finishing today and I express my gratitude and thanks to all the parents and teachers for making it successful. With the joint efforts of yours and teachers your ward must come out with flying colours in the final examination. The following points I would like to bring to your kind notice to make the coming session a better one.

1. The result declaration of the final exam of 2017-18 will be held on 1st April, 2018 (Sunday) so that being a holiday the busy parents will also get time to discuss and collect the result personally.
 2. The next session will be starting on 4th April, 2018, 2nd and 3rd April are given for buying the books for the next higher class and to arrange the uniform etc.
 3. Please send your ward to school right from day 1 of the new session to make him comfortable in the academics which will start with full swing to keep up the pace of the curriculum.
 4. To ease the increasing financial burden on the parent's pocket LASEA SMC has decided not to hike the school fee in the coming session 2018-19. Also the cost of the syllabus is also kept on the lower side.
 5. A well qualified and experienced team of teachers has been appointed well in advance to start the session with full pace right from April, 2018.
 6. Class X students need not wait for the result to be declared. Classes XI Commerce and XI Science will also be started from 4th April, 2018. Students can come for counselling to get help in choosing the subjects in XI class.
 7. You must be aware of the ill effects of the use of social media and internet by the adolescents by using android mobiles and getting addicted to it. You are requested to counsel your ward for all such problems and ensure that your ward does not carry mobile phone or any other objectionable material in the school bag.
 8. Kindly follow the school time table and send only the books which are required for that day. This will avoid the bag burden and unnecessary load on the spinal cord of the child.
 9. The first examination will be falling between I to 10th May, 2018 so ensure the presence of your ward in April, 2018 month. The summer vacations will be from 11th May, 2018 till 21st June, 2018.
 10. For convenience of the parent the school follows flexible fee payment system on monthly/quarterly/bi annual/ or one time basis. To avoid any misunderstandings you are requested to choose a system and make a note to the accountant and follow the payment schedule on due dates.
 11. There will be an abacus mental maths competition in the school on 24th March, 2018 for the students of class III to VIII of session 2017-18. You are requested to encourage your ward to take participation in same.
 12. Finally I would like to say that with yours, teachers' and your ward's joint efforts we can make the children do miracles and become a good citizens of India.
- JAIHIND!!!!
